We will visit the campuses of Forest Hills and Florence High school. We will then end at Rogers Elementary. After praying for Rogers, we will complete our Back to School Gift baskets.

Prayer Folders: April did a wonderful job leading our prayer classes during June. She would like to encourage everyone to use the resources that we learned about. If you need more copies or would like a copy of the folder, please see her.

Serving Foster Families: During the month of August, our church will be serving a meal to local foster families that attend a monthly meeting at Redeemer of the Shoals. If you would like to donate to purchase the food, please give it to April Vaden. We will also need volunteers to come help serve. More information about a date and time will be coming soon.

What are G2 Groups?

G2 Groups is our small group ministry for Living Water Shoals. The purpose of the groups is to gather people together to grow in the faith. During the month of August, you can join a G2 group on Sunday Mornings from 10:45-11:20. There are groups for all ages. If you have any questions, you can call or text Pastor Will at 256-762-8480. We invite you to get a fall semester pamphlet and see which group you would like to be a part of. You do not have to be a member of Living Water to join these groups.

It is time to clean out the car and those coin jars because Living Water Shoals is having a change drive. Each Sunday

Change Drive

during the month of August, we are inviting you to bring in loose change from your pockets, car, purse, or home. The money raised will go toward helping us reach our goal of having \$25,000 in the bank. Once we reach that goal, we plan to start actively looking for a building to rent.

DEVO

James 2:17 (NIV) - *"In the same way, faith by itself, if it is not accompanied by action, is dead."*

Faith is more than a belief system; it is a dynamic force that drives us to action. In James 2:17, we are reminded that faith without deeds is dead.

This verse challenges us to move beyond mere words and thoughts, urging us to live out our faith through our actions. Consider the story of Abraham, who is often called the father of faith. When God called him to leave his homeland and go to a place he had never seen, Abraham didn't just believe God's promise—he acted on it. He packed up his belongings, gathered his family, and set out on a journey based solely on his trust in

God's word. His faith was made evident through his obedience and actions. Similarly, our faith should be visible in how we live our daily lives. Do we trust God enough to step out in obedience, even when the path is unclear? Do our actions reflect our faith in God's promises? Think about the ways you can put your faith into action today. Is there someone you can help or encourage? Is there a step of faith you need to take in your personal or professional life? Remember, true faith is active and alive. It moves us to serve, to give, and to love, just as Jesus did.

Prayer: "Dear Lord, help us to have a faith that is alive and active. Show us the areas where we need to step out in obedience and trust in You. May our actions reflect our belief in Your promises, and may we be a light to others through our deeds. In Jesus' name, Amen."

Reflection: Take a moment to write down one way you can put your faith into action this week. Commit to following through and trust that God will guide and bless your efforts.
